Welcome to the New Haven Lawn Club Summer Program 2021!

At the New Haven Lawn Club, we offer programs for children ranging from ages 3 to 13. Our general summer program, specialty camps, and before-and-after care programs provide children with engaging and exciting summer days embedded in New Haven's prestigious private club atmosphere. Over the course of the summer, each week focuses on different thematic activities that include crafts, science, and sports. Our specialty camps focus on a specific topic of interest, with a wide range of choices. Early registration is encouraged to ensure space, as enrollment is limited and assigned on a "first-come, first-serve" model. We incorporate flexibility, creativity and structure along with the intimacy provided by a small, professional staff. All of our head counselors are certified, practicing educators in Connecticut. Our assistant counselors are trained to work with children of all ages as well.

Programming is dependent upon enrollment. Please support our new and exciting initiatives!

Prorating at NHLC

We encourage all campers to attend each day of the weeks that they sign up for here at camp. Regular attendance allows campers to experience the full amount of thematic activities and promotes social friendships with other children. The NHLC Summer Program has a policy in place for prorating.

- We do not offer a prorated amount for camp aside from preschool camp, due to some local schools' policies on maintaining attendance during the summer months. See next item below.
- We understand that many preschools require attendance in the summer to hold spots for the fall. In this case, we will prorate for your child's camp attendance. If you choose to sign up for two days of camp, you will be billed half the amount of the full week's cost of camp.
- We do not prorate for specialty camps, due to the culminating activities and the individualized instruction provided by the specialist.
- We do offer prorating for both Beforecare and Aftercare: If you need to sign your child up for Beforecare or Aftercare, we can prorate the amount for the week based on the number of days needed.

Thank you for your understanding and continued support of the NHLC Summer Programs.

Children Entering Grades 1–6 (9 am to 3 pm)

Our program is unique in our inclusion of children that range in age from five (turning six) to 11. During certain segments of the day, activities and games are differentiated according to age and interests so that each child is guided through an age-appropriate activity while engaged with like-minded peers. As children span the age range in their design, development of and preferences in play, the age range present in our program enriches the children's day and provides a family-style atmosphere.

Please make sure that staff has current cell phones and names on file for all people who may pick up your child as well as emergency contacts. Also, please make sure the Summer Program has an epipen for your child if they have a severe allergy.

- Please apply sunscreen at home in the morning before arriving; staff will re-apply during the program day.
- When rain, thundershowers or extreme heat moves the Summer Program location indoors, call the NHLC Front Desk at 203-777-3494 to find out which room to pick up your child.
- This age group should arrive wearing play clothes as our morning activities are messy; children have time to change into tennis whites after morning snack.
- Pack and bring daily: tennis whites, water bottle, towel, sunhat, bathing suit, goggles and extra sunscreen/sunstick.
- The Peabody Museum, NHLC squash courts and other rooms in NHLC are used as alternative spaces on rainy days or in case of extreme heat. Alternate schedules are followed for rainy days, extreme heat, and field trips.

Tennis and Squash during the Summer Program Day

Please read this information carefully as it explains choices NHLC families have regarding tennis and squash summer registration.

Please note that for tennis, white clothing is required to play, while for squash, squash footwear and eyewear is required for play.

The Squash & Tennis Shops of NHLC sell gear needed to participate in the respective sport and the Directors may be contacted with any questions and/or to obtain additional information or to register for their own athletic camps which are held at the New Haven Lawn Club.

NHLC Tennis: Michaela Kratochvilova, tennis@nhlawnclub.com

Squash Camps: Le Roy Leong, squash@nhlawnclub.com

Summer program instruction at NHLC in both tennis and squash offers a fun introduction to each sport so children can develop a love of the game and build a foundation upon which to grow. Daily summer program tennis clinics are taught by the professional staff of NHLC Tennis, while squash clinics are taught by Le Roy Leong's pros. Both Michaela and Le Roy work closely with their pros to ensure that instruction is appropriate for children's growing athletic abilities and provides young stars with some key fundamentals that will "serve" them well for the rest of their lives.

TENNIS

For the 3 to 5 year olds, tennis is offered daily beginning at 9:15 am, and children must wear all white when they arrive at the summer program, and bring a set of play clothes to wear later in the morning.

For children entering grades 1–6, tennis is offered from 10:20–11:05 am; for this age group, children are encouraged to arrive in play clothes but must pack tennis whites daily and will be given time to change prior to playing tennis, as our morning theme-related activities are frequently filled with paint, clay, and glue galore.

NHLC Families may also register for a Tennis Split-Day Camp (NHLC Tennis Academy + NHLC Summer Program), where children attend NHLC Tennis Academy from 9 am until 11:45 am, then join the Summer Program campers for the remainder of the afternoon until 3 pm. Children who follow this program will join the summer program for lunch, afternoon sports, swim lesson, and free choice time block (arts and crafts, free swim, Legos, imaginative play), but will be at NHLC Tennis Academy during the time of the day when most theme-related programming takes place.

Families enrolling in NHLC Tennis but who need child care coverage on the Friday afternoons when NHLC Tennis ends at 1 pm may enroll in the NHLC Summer Program on these Fridays from 1–3 pm.

SQUASH

NEW Split-Day Squash Clinics are offered during the weeks of June 14 and June 22. During these two weeks of the summer program, children ages 7–9 can register for Squash in the morning from 9 am–12 noon, and then join us for lunch and regular camp for the afternoon. Children will gain experience with many aspects of squash: drives, drop-shots and cross-courts among others, along with keen competition, good sportsmanship, mental toughness, physical agility, and having fun with squash-mates!

Tennis and Squash Program Directors

Michaela Kratochvilova, NHLC Director of Tennis, is originally from Czech Republic. Her lifetime passion is tennis and all racquet sports in general. She has successfully run tennis and paddle programs in Fairfield County for more than 15 years and was the Director of Racquet Sports at Innis Arden Golf Club in Old Greenwich, Connecticut. Michaela spent her last summer as a Director of Adult programming at SPORTIME Amagansett in the Hamptons.

Formerly she has worked as a Director of Tennis at New Canaan Racquet Club in New Canaan, Connecticut. Other positions include working at the Belle Haven Club in Greenwich, Connecticut, and New Canaan Field Club in New Canaan, Connecticut. Michaela has a master's degree in Sports Management and is a USPTA and PPTA Elite certified professional, in addition to being certified in platform tennis (paddle) and pickleball.

Her playing background is equally impressive, being among the top ten players in all junior age groups as she grew up in the Czech Republic. During 1996–1998 she played the highest tennis competition in the Czech Republic, called Extra League (national and international participation), competing against players like Martina Hingis and Jana Novotna. In 1999 she received an athletic scholarship from Armstrong Atlantic State University (AASU), where she was an All-American for four consecutive years in singles and doubles. Michaela is an Athletics Hall of Fame inductee at AASU, the former number one tennis program in NCAA Division II. She has recently taken up the fun sport of POP Tennis and reached the singles, doubles and mixed doubles finals in the 2017 POP Tennis Open.

Her mission is to help promote the game of tennis and help others improve and make tennis their lifetime sport.

Le Roy Leong, NHLC Director of Squash, joined the New Haven Lawn Club in 2014 as the assistant and touring Squash pro. Prior to joining the Lawn Club, he was the touring pro in Baltimore from 2012–2013 and then transferred to Buffalo, NY where he was the touring pro at the Buffalo Tennis & Squash club from 2013–2014. LeRoy began his junior Squash career at the age of six and won his first junior national tournament in Malaysia at the age of eight. He became part of the Malaysian National Junior team and was recruited to play for St. George's School in Rhode Island where he graduated in 2004. He returned home to Malaysia to pursue his dream to become a professional Squash player where he was part of the national team and achieved a world ranking of 230 in the pro circuit. LeRoy also received his Level 2 Coaching Certificate from the World Squash Federation which allows him to coach and manage players at the elite level. He has helped developed top national junior players in the US and is currently working with one of the national juniors from the Lawn Club.

NHLC Specialty Swim Camps 2021

Novice, Intermediate and Advanced Swim Camps

Novice: July 5–9

Intermediate: July 12–16

Advanced: July 19–23

The NHLC Swimming Camp is a way for moderate to avid swimmers to improve and excel under the direct instruction and supervision of the Pool Director, Hannah Morse, and lifeguards.

Please read the descriptions carefully to select the level that is a correct match for your child. Applicants must be reviewed and accepted by our Pool Director to the levels within this program.

Novice and Intermediate Swim Camp participants will receive two individual lessons with the Director and lifeguards during the week as well as participating in two 45-minute block group lessons. These campers also participate in the theme-based activities that take place throughout the Summer Program day.

Advanced Swim Camp will run as an extended afternoon session with group lessons and individualized instruction as in the past. This camp will be from 12:45 to 3 pm, with necessary breaks in between. Children will have the option to enroll in the NHLC Tennis Academy in the morning, as a split-day tennis option, regular camp, or Lego camp. Children who enroll in either program will participate in their program of choice, and then eat lunch with the whole camp group. They will then be given time after lunch to change and unwind before heading to the pool at 12:45 pm for Advanced Swim Camp.

Children need to bring and wear goggles during all swim lessons. Those with shoulder length hair or longer should bring and wear a bathing cap during the lesson to promote proper head position and to deter from habits formed by hair getting in the way.

Week of July 5–9: Novice

Typically, this child cannot swim one lap of the pool, lengthwise. The deep end of the pool is not their most comfortable place in the pool. Children will learn the basics of the front crawl (freestyle) and the back crawl (backstroke) and be introduced to breaststroke and butterfly. Novice level ranges (in general) for ages five to seven, but children sign up according to their ability level.

Week of July 12–16: Intermediate

This swimmer can swim multiple laps, but needs to work on rotary breathing and proper stroke technique. Children will be taught multiple drills that will improve technique and stamina. Typically, this child is on the swim team, is close to making that decision, or is just motivated to improve their strokes. In addition to helping hone the four strokes we will discuss the entire “swim team experience”; including their expectations, their coach’s expectations, and those of their parents. Young Competitor level ranges (in general) from ages six to eight, but children sign up according to their ability level.

Week of July 19–23: Advanced

This group includes swimmers who have been on the NHLC swim team during past summers or swim competitively during the winter months. This week’s program of instruction will give each participant an opportunity to work on specialty strokes in small groups with instruction tailored specifically to the strengths and weaknesses of those that attend. With the Connecticut Private Club Championships scheduled for the following week, this will give participants a wonderful opportunity to perfect strokes just before the “big” meet.

Hannah Morse, NHLC Pool Director, returns for her second year. Hannah received her Bachelor of Science degree in Public Health from Southern Connecticut State University (SCSU) in May 2020. She was also a four year member of SCSU’s NCAA Division II Swimming & Diving program. Hannah is currently pursuing a second degree in Nursing. In her free time, she enjoys hiking, baking, and spending time with friends and family.

Hannah is so excited for another fun summer and can’t wait to see all the smiling faces of the NHLC kids and families. With her extensive background in coaching and teaching swimming lessons, she believes that water safety and fun are the most integral parts of the sport of swimming.

- At the New Haven Lawn Club, we foster an environment of mutual respect. It is our expectation that both staff and children exude respect and appropriate behavior towards others. Should a repetitive issue arise wherein disrespect or harm to another child is displayed, the child may be dismissed from camp to ensure the wellbeing of others.
- **A minimum enrollment is required to run all programs. Spaces are allocated on a “first-come, first served” basis.**
The program may not enroll past its limits due to safety considerations. **Please enroll early to ensure space in the program your child wishes to attend.**
- Please submit Emergency Contacts, Health Information and Lunch Forms at the time of registration along with your child’s Summer Program registration. Both paper and electronic copies are gladly accepted. Emergency Contacts and Lunch Forms must be received at least two weeks prior to when your child begins camp.

NHLC Tennis

Hello All! Welcome to the 2021 Tennis Season at the New Haven Lawn Club! I am extremely excited to kick off my second season as your Director of Tennis. Our first could not have been better, despite the setback of the pandemic. I am looking forward to this summer season as I continue to generate different ideas for our Tennis Program. NHLC has a rich tradition of tennis and I will work to continue to grow the tennis program in all areas.

Our junior program will feature a full-scale “quick start” program to support the United States Tennis Association (USTA) “10 and under initiative” which is now standardized instruction in the country. The USTA has spent years researching the fastest and most effective way of developing junior tennis players, and I am proud to bring this approach of coaching to you and your families. This curriculum encourages students to develop the skills they will need to go out and play on their own, without a pro, as quickly as possible. After all, the goal is to have children playing tennis together and enjoying the sport, not only to be able to play with a trained professional. I am committed to supporting this curriculum and making the NHLC junior program tops in instructional development.

I am excited to announce the return of the Junior Interclub team. Whether you kids are intermediate or seasoned tennis players, our interclub team is a great choice for competition. Team members have a wide range of abilities and a great spirit. In order to participate the junior player can serve, score, and play from the baseline. Matches are played every Thursday, 1–3 pm, either home or away at various clubs in the area.

I am looking forward to another fun season of learning and growing with you all! I am extremely honored work with you and your families this summer at NHLC.
