Welcome to the New Haven Lawn Club Summer Program 2020!

At the New Haven Lawn Club, we offer programs for children ranging from ages 3–13. Our general summer program, specialty camps, and before-and-after care programs provide children with engaging and exciting summer days embedded in New Haven's prestigious private club atmosphere. Over the course of the summer, each week focuses on different thematic activities that include crafts, science, and sports. Our specialty camps focus on a specific topic of interest, with a wide range of choices. Early registration is encouraged to ensure space, as enrollment is limited and assigned on a “first-come, first-served” model. We incorporate flexibility, creativity and structure along with the intimacy provided by a small, professional staff. All of our head counselors are certified, practicing educators in Connecticut. Our assistant counselors are trained to work with children of all ages as well.

- Please make sure the Summer Program has an epipen for your child if they have a severe allergy.

**Prorating at NHLC**

We encourage all campers to attend each day of the week(s) that they sign up for here at camp. Regular attendance allows campers to experience the full amount of thematic activities and promotes social friendships with other children. The NHLC Summer Program has a policy in place for prorating, should you decide to enroll in a partial week.

- We do not offer a prorated amount for 3 or 4 days of camp.
- We understand that many preschools require attendance in the summer to hold spots for the fall. In this case, we will prorate for your child’s camp attendance. If you choose to sign up for 2 days of camp, you will be billed half the amount of the full week’s cost of camp.
- We do not prorate for specialty camps, due to the culminating activities and the individualized instruction provided by the specialist.
- We do offer prorating for both Beforecare and Aftercare: If you need to sign your child up for Beforecare of Aftercare, we can prorate the amount for the week based on the number of days needed.

Thank you for your understanding and continued support of the NHLC Summer Programs.
Children ages 3–Entering K (9 am–12 noon) and Afternoon Fives (12 noon–3 pm)

All children attending the Summer Program MUST be potty trained as this group swims daily in the “big pool”!

- Our youngest summer program members meet on a deck “just their size”.
- Each day children have a group tennis clinic and a group swim clinic designed for the needs of this age group.
- *Children who use a swim bubble must do so while in the big pool. As their skill and comfort level increases, children transition to swimming without a bubble based on the assessment of Pool Director and lifeguard staff.
- Children’s daily activities follow a weekly theme; opportunities are provided for children to create individual projects and to work collaboratively.
- NHLC squash courts and the Grill Room Rotunda are used as alternative spaces in case of rain or extreme heat.
- We believe in the power of friendship and the power of fun!

- Please arrive wearing whites, with sunscreen having already been applied at home.
- Pack and bring daily: a water bottle, towel, sun hat, bathing suit, goggles and play clothes.
- Please apply sunscreen at home in the morning. Summer Program staff will re-apply during the morning.

Our program is unique in our inclusion of children that range in age from 5 (turning 6) to 11. During certain segments of the day, activities and games are differentiated according to age and interests so that each child is guided through an age-appropriate activity while engaged with like-minded peers. As children span the age range in their design, development of and preferences in play, the age range present in our program enriches the children’s day and provides a family-style atmosphere.

Please make sure that staff has current cell phones and names on file for all people who may pick up your child as well as emergency contacts. Also, please make sure the Summer Program has an epipen for your child if they have a severe allergy.

- Please apply sunscreen at home in the morning before arriving; staff will re-apply during the program day.
- When rain, thundershowers or extreme heat moves the Summer Program location indoors, call the NHLC Front Desk at 203-777-3494 to find out which room to pick up your child.
- This age group should arrive wearing play clothes as our morning activities are messy; children have time to change into tennis whites after morning snack.
- Pack and bring daily: tennis whites, water bottle, towel, sunhat, bathing suit, goggles and extra sunscreen/sunstick.
- The Peabody Museum, NHLC squash courts and other rooms in NHLC are used as alternative spaces on rainy days or in case of extreme heat. Alternate schedules are followed for rainy days, extreme heat, and field trips.

Tennis and Squash during the Summer Program Day

Please read this information carefully as it explains choices NHLC families have regarding tennis and squash summer registration.

Please note that for tennis, white clothing is required to play, while for squash, squash footwear and eyewear is required for play.

The Squash & Tennis Shops of NHLC sell gear needed to participate in the respective sport and the Directors may be contacted with any questions and/or to obtain additional information or to register for their own athletic camps which are held at the New Haven Lawn Club.

**Tennis Camps:** Michaela Kratochvilova, tennis@nhlawnclub.com
**Squash Camps:** Le Roy Leong, squash@nhlawnclub.com

Summer program instruction at NHLC in both tennis and squash offers a fun introduction to each sport so children can develop a love of the game and build a foundation upon which to grow. Daily summer program tennis clinics are taught by the professional staff of NHLC Tennis, while squash clinics are taught by Le Roy Leong’s pros. Both Michaela and Le Roy work closely with their pros to ensure that instruction is appropriate for children’s growing athletic abilities and provides young stars with some key fundamentals that will “serve” them well for the rest of their lives.

**TENNIS**

For the 3 to 5 year olds, tennis is offered daily beginning at 9:15 am, and children must wear all white when they arrive at the summer program, and bring a set of play clothes to wear later in the morning.

For children entering grades 1–6, tennis is offered from 10:20–11:05 am; for this age group, children are encouraged to arrive in play clothes but must pack tennis whites daily and will be given time to change prior to playing tennis, as our morning theme-related activities are frequently filled with paint, clay, and glue galore.

**SQUASH**

Squash clinics are offered during the weeks of June 29 and July 6 ONLY. During these two weeks of the summer program, children entering grades 1–6 may choose between either the squash or tennis clinic. Children will gain experience with many aspects of squash: drives, drop-shots and cross-courts among others, along with keen competition, good sportsmanship, mental toughness, physical agility, and having fun with squash-mates!

**SPLIT-DAY CAMP**

NHLC Tennis Academy + NHLC Summer Program

**NHLC Families may also register for a tennis split-day camp,** where children attend NHLC Tennis Academy from 9–11:45 am, then join the Summer Program campers for the remainder of the afternoon until 3 pm. Children who follow this program will join the summer program for lunch, afternoon sports, swim lesson, and free choice time block (arts and crafts, free swim, Legos, imaginative play), but will be at NHLC Tennis Academy during the time of the day when most theme-related programming takes place.

Families enrolling in NHLC Tennis but who need child care coverage on the Friday afternoons when NHLC Tennis ends at 1 pm may enroll in the NHLC Summer Program on these Fridays from 1–3 pm.

Michaela is originally from Czech Republic, and her lifetime passion is tennis and all racquet sports in general. She has successfully run tennis and paddle programs in Fairfield County for more than 15 years and was the Director of Racquet Sports at Innis Arden Golf Club in Old Greenwich, CT. Michaela spent her last summer as a Director of Adult programming at SPORTIME Amagansett in the Hamptons.

Formerly she has worked as a Director of Tennis at New Canaan Racquet Club in New Canaan, CT. Other positions include working at the Belle Haven Club in Greenwich, CT, and New Canaan Field Club in New Canaan, CT. Michaela has a master’s degree in Sports Management and is a USPTA and PPTA Elite certified professional, in addition to being certified in platform tennis (paddle) and pickleball.

Her playing background is equally impressive, being among the top ten players in all junior age groups as she grew up in the Czech Republic. During 1996–1998 she played the highest tennis competition in the Czech Republic, called Extra League (national and international participation), competing against players like Martina Hingis and Jana Novotna. In 1999 she received an athletic scholarship from AASU (Armstrong Atlantic State University), where she was an All-American for four consecutive years in singles and doubles. Michaela is an Athletics Hall of Fame inductee at AASU, the former No. 1 tennis program in NCAA Division II. She has recently taken up the fun sport of POP Tennis and reached the singles, doubles and mixed doubles finals in the 2017 POP Tennis Open!

Her mission is to help promote the game of tennis and help others improve and make tennis their lifetime sport.

NHLC Specialty Swim Camps 2020*

Novice, Intermediate and Advanced Swim Camps

Novice: July 13–17
Intermediate: July 20–24
Advanced: July 27–31

The NHLC Swimming Camp is a way for moderate to avid swimmers to improve and excel under the direct instruction and supervision of the Pool Director and lifeguards.

Please read the descriptions carefully to select the level that is a correct match for your child. Applicants must be reviewed and accepted by our Pool Director to the levels within this program.

Novice and Intermediate swim camp participants will receive two individual lessons with the Director and lifeguards during the week as well as participating in two 45-minute block group lessons. These campers also participate in the theme-based activities that take place throughout the Summer Program day.

Advanced Swim Camp will run slightly different this year. It will run as an extended afternoon session with group lessons and individualized instruction as in the past. This camp will be from 12:45–3 pm, with necessary breaks in between. Children will have the option to enroll in the NHLC Tennis Academy in the morning, as a Split-Day Tennis option, Regular Camp, or Lego Camp. Children who enroll in either program will participate in their program of choice, and then eat lunch with the whole camp group. They will then be given time after lunch to change and unwind before heading to the pool at 12:45 pm for Advanced Swim Camp.

During all swim lessons, children need to bring and wear goggles during the swim lessons. Children with shoulder length hair or longer should bring and wear a bathing cap during the lesson to promote proper head position and to deter from habits formed by hair getting in the way.

Week of July 13–17: Novice
Typically, this child cannot swim lap of the pool, lengthwise. The deep end of the pool is not their most comfortable place in the pool. Children will learn the basics of the front crawl (freestyle) and the back crawl (backstroke) and be introduced to breaststroke and butterfly. Novice level will be ages 5–7 in general, but children sign up according to their ability level.

Week of July 20–24: Intermediate
This swimmer can swim multiple laps, but needs to work on rotary breathing and proper stroke technique. Children will be taught multiple drills that will improve technique and stamina. Typically, this child is on the swim team, is close to making that decision, or is just motivated to improve their strokes. In addition to helping hone the four strokes, we will discuss the entire “swim team experience”; including their expectations, their coach’s expectations, and those of their parents. Intermediate level ranges from ages 6–8 in general, but children sign up according to their ability level.

Week of July 27–31: Advanced
This group includes swimmers who have been on the NHLC swim team during past summers and those who swim competitively during the winter months. The program of instruction during this week will give each participant an opportunity to work on specialty strokes in small groups. Instruction will be tailored specifically to the strengths and weaknesses of those attending. With the Connecticut Private Club Championships scheduled for the following week, this will give participants a wonderful opportunity to perfect strokes just before the ‘big’ meet.

Jen Silva, **NHLC Summer Program Director**, returns to NHLC for her seventh year. She received a Bachelor's of Science in Art Education and a Masters in Psychology from Southern Connecticut State University, as well as a 6th Year degree in Special Education. During the school year, Jen enjoys teaching art at Stepney Elementary School in Monroe, to children in grades pre-k through fifth. In her spare time, Jen loves creating her own artwork, exercising, and spending time with her family, especially her baby boy, Logan, who was born at the very end of last summer. Jen loves working at the New Haven Lawn Club Summer Program, and is committed to making your children’s’ camp days fun, exciting, educational, and memorable!

Amy Cordon, **Assistant Director & Elementary Head Counselor**, returns for her ninth summer at NHLC leading the 9 am–3 pm camp. She graduated from St. Joseph College with a Bachelor's Degree in Biology in 2002 and received a Master's in Education from University of Bridgeport in 2004. Amy enjoys teaching 6th grade at the Waterbury Arts Magnet School, where the education focus is academics and arts. While teaching at the Waterbury Arts Magnet School, she has been the advisor to the Student Council in which she encouraged kids to help their school and community. In her spare time, she enjoys hiking.

Laura Lawlor, **Early Childhood Head Counselor, Baking Camp Instructor**, returns for her second summer. As a 2nd grade teacher with over twenty years of experience, Laura loves working with children and planning fun activities for our little ones here at the Lawn Club. Laura also has a private baking business, and is eager to share her creative passion with our campers during this year’s baking camp!

**ASSISTANT COUNSELORS**

Elysia Rodriguez returns for her fourth summer at NHLC. She is currently a freshman at Nova Southeastern University going for her undergraduate degree in Speech-Language Pathology. Elysia also helps out at the Friday night dinners here at the Club. She is looking forward to another summer with your children!

Lily Chicosky has worked at the Lawn Club (with Kayleigh) during many Holiday events. This is her second summer working at the camp. Currently, she is a sophomore at Hamden Hall Country Day School, on the honor roll and is involved in many activities. She was a Girl Scout and currently enjoys tennis, swimming and plays varsity lacrosse and field hockey. She loves to read and is huge fan of Harry Potter and Sarah J. Maas novels. She is a member of the photography and book club. She enjoys school and has very good grades. She is really looking forward to working (and playing) with your children this summer!

Magdalene Corradino returns for her third summer at NHLC. She is currently in her first year at the Catholic University of America in Washington, DC where she is studying business. Magdalene has also worked at the Club for three years as a Friday night babysitter. She loves children and is looking forward to camp this summer!

Erick Alvarez-Whalen will start his second camp season this summer. As a sophomore at Fairfield Warde High School, Erick is involved with the back stage crew, assisting primarily with lighting and sound. He is also a second year member of the Town of Fairfield Youth Police Explorer’s program. He has recently earned the rank of sergeant. The Explorers assist the Town with various volunteering assignments and receive specialized training. Erick also enjoys online gaming with friends, live streaming on YouTube in which he offers gaming advice and building computers. Lastly, he has been playing the violin in the school orchestra since the third grade. He can’t wait for this camp season to begin and have lots of fun with all of the children, especially in the pool!

A more thorough program for juniors who have played at least some squash. This camp offers a more well-rounded learning experience for those looking to take their game to the next level. It is also great for juniors who are thinking about playing squash in the long term and play for their school. Players will learn more advanced techniques and skills, strategies, overall physical conditioning and how to analyze certain game situations. A typical day in the camp involves fitness, agility, swimming, camaraderie with other players, team meals, and lots of squash!

Lil’ Squashers & Beginners Program
Level: Beginners, ages 7–9 and 9–11
This program is offered for juniors with little to no experience in the game of squash. Players will learn the fundamentals, basic motor skills, as well as simple athletic abilities, including but not limited to fitness, strength, speed and agility. The whole concept of this program is to teach juniors how to have fun and learning to enjoy the game. Activities will cover the basic technical side of the game so that they will learn how to play the sport safely. At the end of the session, juniors will learn to discover their athletic talents.

Squash Camp Policy
Spot availability
Spots are limited to a maximum of 12 players for each group. While we try to do our best to accommodate every player, if a certain week is full, we will find the next available week or group.

Please also note that the camp can only proceed with a minimum of 4 players for each group. If there are not enough sign ups, the player will be moved to the next available group or week.

Cancellation
There is a strict cancellation policy for last minute notices from players. In the event of any cancellation, players must contact the head pro before the start of the camp. Failure to do so will result in a full charge and no refunds will be entertained. Please email the head pro for any cancellation. Phone calls and voicemails are not accepted. You may email the head pro at squash@nhlawnclub.com.

- Cancellation notice 14 days before start of camp: full refund minus administration fees and t-shirt fee
- Cancellation notice of 7 days before start of camp: half refund minus administration fees and t-shirt fee
- Cancellation notice of less than 7 days before start of camp: no refund

Player’s Ability and Placement
While we do our best to make sure that all players are placed in their appropriate level and group, there are certain cases where a player may not find themselves in the correct group. Should that situation arise, we will reevaluate and look for the next best group for the player.

Most importantly, if a player feels out of place or unable to keep up with the group, we highly encourage the player to talk to the head coach to find another alternative. After all, we want players to enjoy and have fun with the sport.
Welcome to the 2020 season at the New Haven Lawn Club! I am extremely excited to kick off my first summer season as the new Tennis Director. I hope you are ready and excited to bring the energy and can-do attitude for our newly revamped tennis program. The staple of NHLC is our traditions. I will continue towards working to create new ones here this summer. My goal is for everyone to leave the tennis court and the club with something beneficial, whether it is improving their game or making a new friend. NHLC is the place to be.

Our junior program will feature a full-scale “quick start” program to support the United States Tennis Association (USTA) “10 and under initiative” which is the standardized instruction in the country. The USTA has spent years researching the fastest and most effective way for developing junior tennis players, and I am eager to bring this approach of coaching to our players. This curriculum encourages students to develop the skills they will need to go out and play on their own, without a pro, as quickly as possible. After all, the goal is to have children playing tennis together and enjoying the sport, not only to be able to play with a trained professional. I am committed to supporting this curriculum and making the NHLC junior program a top program in instructional development.

Interested in competitive play? Whether your kids are intermediate or seasoned tennis players, our interclub team could be a great choice for competition. I am excited to announce the return of the Junior Interclub team. In order to play on the Interclub team, players must be able to serve, keep score and play from the baseline. Matches will be played either at NHLC or away at various clubs in the area.

I am very excited to start this summer season. I look forward to creating lasting memories on the tennis courts with all the families here at NHLC.
